

AMENDMENTS TO THE SPECIFICATION

Please insert the following paragraph after the title and above line 5 on page 1 of the instant application:

This application is a continuation-in-part of and claims the benefit of the copending U.S. Patent Application entitled "Pixel Border for Improved Viewability of a Display Device" by F. Canova, Jr., et al., filed November 8, 2000, with Serial No. 09/709,142, now U.S. Patent No. 6,961,029.
